CADET TOURNAMENTS
TVER – Russia & TEPLICE – Czech

To All players
Selected for these events

17th March 2010

Dear Player,

Re: Players Back Numbers

With the Cadet competitions in TVER/Russia & TEPLICE/Czech – both being run under the EJU – to compete you must have the regulation back patches for your competition kits – no patch – no competition!

These patches are available from:

www.mybacknumber.com

It is important and your responsibility to ensure that you have these patches on your kits, if you have been selected to participate in either of these two events.

All the best

Yours sincerely
