

## **C2 INTERNATIONAL TRAINING CAMP 2011**

**We are pleased to invite you to our 2011 International Training Camp for 14 -23 year olds. This camp has proven very popular over the last 2 years. At the camp last year there were over 250 players from 18 different nations.**

**This year we have had already many enquiries from Europe and I am sure that it will be more popular than before. The camp is randori based and has excellent accommodation and food. We pride ourselves on making sure that there is a great atmosphere for the judo players to get the most out of the sessions.**

**We are at the moment in discussion with players from Japan and Russia who have shown interest in coming this year.**
