ENGLAND SQUAD PROGRAMME- SELF FUNDED EVENTS 2010

REPLY REQUIRED

Dear England Player,

On the 2010 England programme calendar you will have seen the inclusion of self funded events. These events are by no means compulsory but an opportunity for additional International training and competition without the trouble of having to make the arrangements yourself.

Please can you discuss the events listed below on the return slip with your parents and coach before indicating which of the events you are interested in attending. This is NOT a final commitment, just a declaration of interest so that we can assess arrangements that need to be made- we will be in touch again to confirm final commitment. The 'Approx Cost' listed below is a MAXIMUM guide ONLY, so that you can assess what may be financially viable, we will aim to reduce these costs wherever possible. An exact cost will be calculated before final confirmation required.

The slip below needs to be returned to Trevor Sitlinton by next Full Squad training session (23rd/24th January), we have limited places for some events and therefore if we do not receive your reply slip we will assume you are not interested in attending any of these events.
