

## KENT INTERNATIONAL TOURNAMENT 26<sup>TH</sup> & 27<sup>TH</sup> JUNE 2010

NW Excell programme will be part funding players wanting to enter the Kent International. The tournament offers judoka the opportunity to compete against international opposition, as in recent years there have been a number of foreign teams entered.

It will also provide the opportunity to bring the group closer together and work with the NW Excell coaches (Chris Milward, Martin McSorley, and Phil Sullivan) in a competitive environment. A female chaperone will be present.

It is anticipated that clubs in the NW area will already have plans to attend this event. Therefore the NW Excell's financial support will be limited.
