Dear Mr President;

Please find attached the EJU applicable rules for Judogi and Judogi Control.

It is important to note that in EJU Tournaments, different from the IJF events, **IT IS NOT ALLOWED TO USE THE RESERVE JUDO GI if the Judogi do not satisfy the Marketing or Sokuteiki requirements.** If the judogi does not satisfy the requirements enclosed, the athlete will be penalised with a Hansokumake.

The list of IJF suppliers can be viewed through the link: http://www.intjudo.eu/Official_Suppliers_List

The list of EJU suppliers which can advertise on the shoulder stripes can be viewed through the link: <https://www.eju.net/sponsors-and-suppliers>

I am also currently attempting to acquire the required UV Lamps to identify the real from the fake IJF labels. We will keep you posted!

Should you need any further information about the matter, please do not hesitate to contact me.
