

British Judo Association

England Core Programme

MEMORANDUM

To: All Players on England Squad, Coaches and Parents
From: England Staff
Date: 4th January 2011
Subject: England Squad Communication in 2011

As we enter a New Year, we would like to reinforce a New Year's resolution for all England squad players! The communication within the England Squad has improved dramatically - this will merely serve as a reminder for most.

Please ensure that you communicate absences from any England Programme activity to the correct person.

In the case of the Squad programme this should be **TREVOR SITLINTON**.

Any un-communicated absence will be noted and on a second instance the player will be contacted to ask if they still wish to be part on England squad, non response to this or further un-communicated absence will result in removal from squad.

For the regional and ExCell sessions, please email, text or telephone the named contacts- these can be found on the England website.

Trevor Sitlinton

England Squad Administrator
