

MEMORANDUM

To: All Players and Coaches
From: Karen Roberts
Date: 8th December 2009
Subject: **FINAL REMINDER: IMPORTANT CHANGES TO EJU AND IJF BACK PATCHES**

Further to the memo on 28th October, I would like to remind you of the IJF and EJU regulations on Back Patches required for all IJF and EJU events. This will be in place from the 1st January 2010

There will be 2 parts:

PART 1 FIXED FOR EVERY EVENT: Name and Country Code

1. Every Athlete has to order his personal original back number with Name and Country through www.mybacknumber.com
2. Only with this original identification the athlete is allowed to compete in IJF and EJU events. Self prepared or copied identifications are not allowed. In this case the judoka will be disqualified.
3. **The service for ordering starts on 1. of November through www.mybacknumber.com**
4. The order process is open for Federations, Sportsmen and clubs. It must not be done only through federation.
5. Think about some reserve numbers in case of damage.
6. Beginning of 1. January 2010 every sportsman has to prepare his personal identification at home. The Judoka has to arrive for every competition with prepared Name and Nation identification. If the Judoka arrives unprepared, they will not be allowed to compete.

PART 2 VARIABLE FOR EVERY EVENT: Competition name /advertising

Further information will follow - we expect this to be 'iron on'

Part 1 will be the responsibility of the athlete, **Part 2** will be the responsibility of the BJA

Any queries should be directed to myself.
