Re: Selected Players for U23 European Preparation Camp

As part of the England Core Programme, the following players have been selected to attend the U23 European Preparation Camp as training partners for the Great Britain U23 European Team at the BJPI, Dartford.

The U23 European Preparation Camp runs from the 9 – 13 November, however, selected England players will only be required to attend from the 9 – 12 November.

This initiative will continue in the future when the England Core Programme will select squad players to aid in the preparation for future U23 and Junior/Senior Preparation Camps to provide both training partners for the preparing team and the experience of being part of a preparation camp at the BJPI with GB's National Coaches.
