Rules and Conditions:

BJA contest rules will be in force throughout the event. All other regulations for this event will be in accordance with the BJA Tournament Handbook, with the following exceptions: -

Under BJA Rules if any contestant at this event receives a direct Hansoku-Make (disqualification) penalty he/she will normally be disqualified from that contest only. However if both the referee and judges agree that the action penalised by Hansoku was against '*the spirit of judo*' then they may recommend that the offending player should not be allowed to continue in the competition. Having made this decision, the Referee and Judges will request that the table officials inform the Competition Controller of their recommendation.

In all instances, the final decision to disqualify any player from the remainder of the competition will be made by the Tournament Director in consultation with the Referee and Judges involved and the Referee In Charge.

Any competitor who fails to arrive in time for his first contest will lose that contest by FUSEN-GACHI and will be eliminated from the competition.
