

MEMORANDUM

To: All Members of the BJA Junior Squad
From: Karen Roberts
World Class Operations Manager
Date: 25th September 2008
Subject: Australian Youth Olympic Festival 2009

Dear Junior Squad Player,

Following the disappointing performance at the Beijing Olympic Games, a full review of the forthcoming programme has been made by the British Judo Performance Directorate.

We will no longer be entering a team in the Australian Youth Olympic Festival. It will be imperative that all of our Junior players enter the Junior Trials on Saturday 10th January 2009 and complete the programme as devised by our newly appointed Head Coach - Patrick Roux, details will follow in due course.

This decision has been made to ensure that we lose no time in creating a sustainable system for the future of British Judo.

Yours sincerely

A handwritten signature in black ink that reads "K Roberts".
