

MEMORANDUM

To: British Coaches

From: Patrick Roux

Date: 19th May 2009

Subject: 2009 Tre Torri International – Matside Coaching

Dear British Coaches

I have confirmation from the organisers of the 2009 Tre Torri International, that they will be employing the 'No Matside Coaching' regulation.

In addition to this, I would like to reinforce that in the situation of two British players competing against each other I would not expect to see coaches actively matside coaching.

Kind Regards

Patrick Roux
