

The BJA Promotion Commission now automatically review all registered Judoka from 5th Dan and above to determine whether promotion should be recommended. The previously employed 'application' driven scheme has been discontinued and replaced by this formal grade review process.

Flowcharts are available on the BJA Website detailing the minimum time in grade and age requirements for the various possible scenarios and consideration is also made for the level of an individuals activity and achievement within the sport.

To support this procedure, these Judoka are encouraged to submit a CV detailing their Judo achievements to date and particularly since their last promotion. The CV should ideally be submitted via e-mail as an attached document to dhortonjones@britishjudo.org.uk - hard copies can also be forwarded via BJA Head Office and should be marked for the attention of The BJA Promotion Commission, C/o Dave Horton-Jones.

The template below can be used as a basis for submissions:

Dan Grade Questionnaire
Questionnaire for judoka holding a 5th Dan or above

The British Judo Association Promotions and Gradings Commission are currently gathering information on those who hold a 5th Dan or above. The information gathered will allow the Association to learn through the evaluation of our highest-level judoka, and will also help in the assessment of grade award considerations in the future.

The Commission would appreciate if you can complete the following information and return it to the address at the bottom of the form.

Name	
Date of Birth	
Current Dan Grade	
Age started Judo	
Age obtained 1st Dan	
Club (please state more than one club if necessary)	

Name of own Coach	
Grading History (List competitive and non-competitive grades c/w dates achieved).	
Competition Record (major national and international competitions entered and medals won)	
Have you ever been a member of the British Squad? (If yes, please state years)
