The Active Judo  
Programme is  
targeting a fun and  
exciting approach to  
learning and improving  
judo skills at every age  
group

Children will learn  
many new skills and we  
will help them to  
master the finer points  
of the more basic skills  
the children already  
understand.

The course is not  
designed for elite judo  
training, but is design  
for any judoka at any  
level to enjoy and  
improve their own skill  
level in a fun and  
relaxed enjoyable day

During the camp the  
children will mix their  
Judo training with fun  
indoor team sport  
games and other  
challenging activities  
Prizes and Certificates  
to be won
