

Dan Grading for Men and Women

Sunday 23th November 2025

Samurai Judo Club, Zortech Avenue, Kidderminster DY11 7DY

Categories

This is a dan grading for men and women currently graded 1st kyu to 4th dan.

This follows our previous extremely successful gradings, we average over 60 players at each grading and usually have sufficient high grades that men can be graded to 5th dan on the day and women have line-ups and points for up to 4th dan. We therefore confidently expect a high turnout of all grades for this grading.

We ask people to enter early in advance so that we can inform others interested in attending as to how many players there are in each grade section.

Masters will be paired together where reasonably possible.
