Format:

Competitors will fight in their respective groups and weight categories. Gold and Silver and Bronze medals will be awarded to the top four competitors. All remaining participants will receive a participation medal in recognition of their effort.

The Tournament Director reserves the right to combine or alter weight categories should entries dictate. In the event of any dispute the decision of the Tournament Director will be final.

Medals will be presented after each group, where possible and all competitors participating in this event are required to wear a WHITE judo Gi jacket and trousers.

If a player is graded and this grading leads to a change in the competitors belt colour, you must inform the competition organiser via email before the event as this can change group sizes and could mean a change of weigh in time for the player.
