STUDENT VOUCHER SCHEME

W BRITISHJUDO.ORG.UK/SVS **T** 0121 728 6920

*The Student Voucher Scheme is open to anyone aged 18 years and older who is enrolled on a full or part time course at an English based university that's also registered with the British Judo Association. You must not currently hold a British Judo Association Licence or have held one within the past two years. RRP is based on suit size 160 - 200.

1. DISTRIBUTION OF SVS PROMOTIONAL MATERIAL

SVS National Lead will contact all universities to confirm delivery address for SVS promotional materials. Each university club will be sent 2 x A3 posters and 200 x business cards. A British Judo Association (BJA) National Development Officer (NDO) will also be in touch soon to ensure you have received your promotional materials and understand the process for this year.

2. UNIVERSITY CLUB AFFILIATION

For students to access the SVS, they must attend a University club within England that is up to date with its BJA affiliation payments. The BJA membership department will contact any university that needs to make payments in arrears. Please email SVS@britishjudo.org.uk for any queries.

4. STUDENT SIGN UP

Students apply individually for BJA membership and order their suit online (including payment) at www.britishjudo.org.uk/svs.

5. UNIVERSITY CONFIRM SIGN UP COMPLETE

Universities should email the SVS National Lead (SVS@britishjudo.org.uk) to confirm all students are signed up and request dispatch of suits and licences.

6. DELIVERY OF SUITS

National Lead confirms students signed up and delivery address (for suits and licences) before processing order. Suits and licences will be dispatched within 3-5 working days via two separate deliveries.

Eligibility for SVS

The scheme is open to anyone aged 16 years and over who has enrolled on a full or part time course at an English based university. Applicants must not have held a BJA licence within the past 2 years and attend a University club affiliated to the BJA.

Gradings

One FREE grading per student is included in the SVS £20 fee. This includes any student transferring from International Judo Associations. If any coach requests to double jump a student's grade, they will be required to pay a fast track fee of £10 (unless they have been on a commission approved beginners course). Please ensure that any grading sheets submitted to the BJA clearly label any student using their FREE grade allocation.

Suit exchanges

Universities that need to make exchanges for suits should email the SVS National Lead (SVS@britishjudo.org.uk) to arrange. Please note that all exchanges will be subject to a delivery charge.

Sign-ups post bulk delivery

All future SVS sign ups, that are done post the initial bulk process, will also be subject to a £7.99 delivery charge.
