All fighters on the WCPP and EDS (Elite Development Squad) programme, will be based fulltime at the British Judo Centre of Excellence and be prioritised for allocated places for IJF World Ranking Events, Junior European Cups and Training Camps that will be planned into their Individual Fighter Plan (IFP) in alignment to their agreed identified Technical, PCDE (Psychological Characteristics for Developing Excellence) and Performance Goals.

GB Squad Programme

All fighters on the GB Senior and Junior Squad continue with their Personal Programmes (competition and training camps) in order to achieve the selection criteria for the Senior European and World Championships and potentially qualify for the Tokyo Olympic Games. The minimum expectation of all GB Senior and Junior Squad fighters will be that they must attend ONST and where applicable, when invited to preparation camps, in order to be able to access entry to IJF World Ranking Events or to be selected for European and World Championships or Olympic Games.

All Junior and Senior fighters who are members of the GB Junior or Senior squad have the option to attend Junior European Cups and IJF WR Events as part of their Personal Programme.

At any time of the year, a GB Squad fighter can move onto the WCPP should they be offered and accept a place on the programme.

Senior European and World Championships

The GB WCPP will select a Great Britain team for the European and World Championships against the published selection policy. All selected fighters (WCPP and GB Squad fighters) will be selected against the published criteria. British Judo will cover ALL travel and associated costs for the European and World Championships and will travel as ONE team under the GB WCPP.

All selected fighters for the European and World Championships will be expected to follow the GB WCPP preparation programme as a condition of selection.

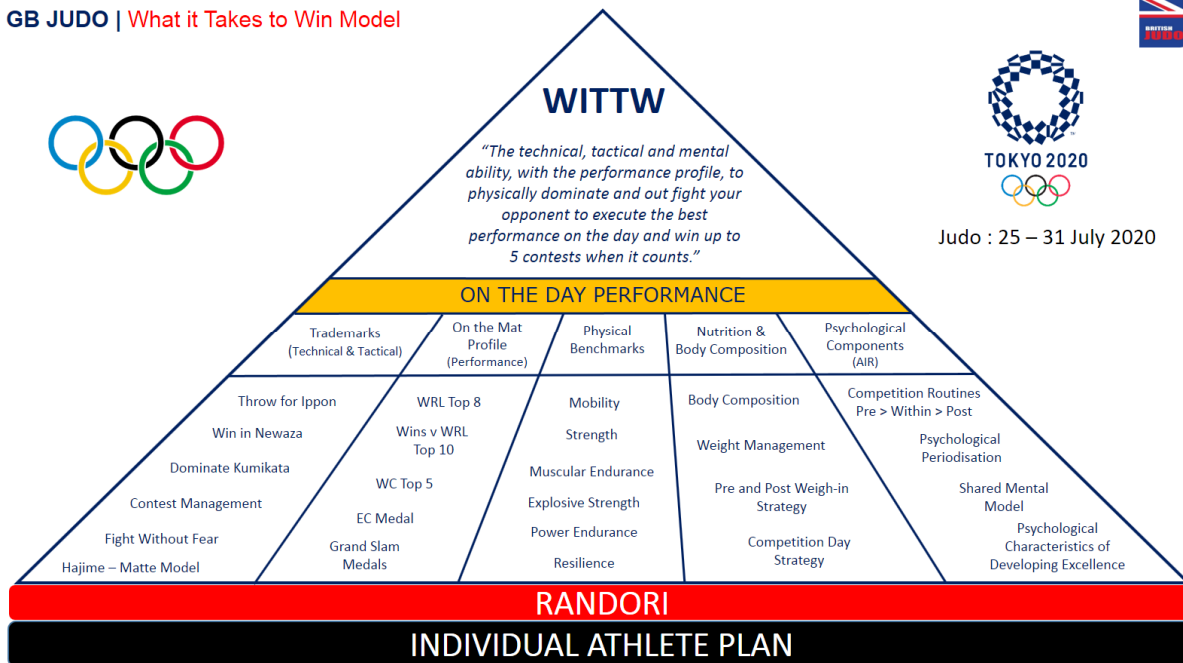

Fighters selected for the European and World Championships will be coached by the GB WCPP Coaching Team.

What It Takes to Win Model (WITTW)

As part of the UK Sport Tokyo submission, all sports had to develop and submit an evidence based WITTW Model.

The GB Judo WCPP WITTW model is aimed at developing and preparing fighters who can ultimately perform on the day and deliver their best performance at the Tokyo and Paris Olympic and Paralympic Games.

GB JUDO | What it Takes to Win Model

The primary focus of our WITTW model is our Global Randori programme underpinned by a fighter IFP that is aligned to 5 key components to ultimately prepare the fighter to deliver their best performance on the day.

The WITTW model will form the basis of our Strategy in the Tokyo cycle.
