2023 British Squad Identification:

After the British Junior and Senior Championships in December, the British Squads for the subsequent year will be formed from the following:

- Top 4 - British Senior Championships
- Top 4 - British Junior Championships

The only additions to this may be made at the discretion of BJA Performance Director, where it is in the best interests of the BJA Performance Programme.

British Squad Programme:

Our GB Judo Squad is the pinnacle of our Club system and underpins the World Class Performance Programme. Reaching the GB Judo Squad marks the minimum Performance standard required to represent Great Britain on the international circuit (Personal Programme), and therefore is an identification opportunity for our Development and Performance programmes.

All fighters who are selected for the British Squad will be expected to:

- Attend all ONST (Open National Squad Training) and any other National Squad Training Sessions. Must attend the whole training programme - no late arrival or early departure.
- Failure to attend Squad Training sessions may result in removal from the GB National Squad.

World Class Performance Programme (WCPP):

All fighters on the WCPP, will be based fulltime at the British Judo Olympic and Paralympic National Training Centre and be prioritised for allocated places for IJF World Ranking Events, Junior European

Cups and Training Camps that will be planned into their Individual Fighter Plan (IFP) in alignment to their agreed identified Technical, PCDE (Psychological Characteristics for Developing Excellence) and Performance Goals.

For those fighters currently on WCPP UKS funding, it is a requirement of their contracts that they compete in the British Senior Championships (unless otherwise specified)
