Dear Ronnie

## **Lisa Allan – Candidate for IJF General Secretary**

I am writing on behalf of JudoScotland to endorse British Judo Association's nomination of Lisa Allan for the role of General Secretary at the International Judo Federation.

Lisa is an ideal candidate, having gained the skills and experiences required for the role through her involvement in judo domestically and internationally over the last four decades. As an Executive Committee Member and Events Director of IJF, she has got to know the Member Federations well and to understand their needs and ambitions.

Lisa is a highly respected and approachable individual who would work with Member Federations in the best interests of judo. She is strategic in her thinking, a strong communicator and she always acts with integrity and transparency to support the growth and impact of judo globally.

We are in full support of Lisa and have every confidence she would excel in the role of General Secretary, influencing and shaping the direction of judo positively.

Yours sincerely,

Marc Preston
