Training Opportunities

England National Randori held at British Judo NTC and England Training Opportunities.

The England Programme have identified **England training opportunities** available to all England Pathway fighters and any aspiring club judoka striving to be in the future. With 21 available weekly sessions as part of the delivery of England training opportunities, fighters have more opportunities to supplement their current club training to aid further technical and physical development and importantly increase their weekly training volume.

The England national randori practice is every **Wednesday evening from 7.00pm – 9.00pm**

held at the British Judo NTC in Walsall. There is no mat fee, however there is a minimum level of Pre-Cadet and Green belt and above. We would like to remind and encourage all England Programme fighters to make every effort to utilise the various session opportunities presented to them as we collectively look to bridge the gap to international level performance levels

Training at the British Judo National Training Centre (NTC)

The British Judo NTC is the training base for the British Judo World Class Programme which is **open to ALL GB Junior and Senior Squad fighters and Home Nation Fighters (including England Programme fighters)** to come along and train or stay for extended training periods.
